

# Georgetown Behavioral Health Outpatient Programs for Children and Adolescents

- Full-time Outpatient Program (PHP)

Our experienced staff designs activities and therapies tailored to reflect the specific needs of each individual we treat. Programs for children and adolescents are separate and geared toward each age group.

## ***Programs can include:***

- Comprehensive individual assessments
- Medication stabilization
- Dual diagnosis programming
- Daily psychoeducational and group therapy
- Family sessions
- Life skills training
- Expressive therapies, including art therapy
- Follow-up with outpatient providers
- Personalized discharge and aftercare plans

*Programs are offered weekdays from  
9:00 am to 3:00 pm. Call **302-747-1421** to  
schedule an assessment or to make a referral.*

## ***What to expect upon arrival to Georgetown Behavioral Health***

- Client will begin program one to two days after initial assessment
- Staff will help with insurance precertification
